## Junior Training Camp Report 2025

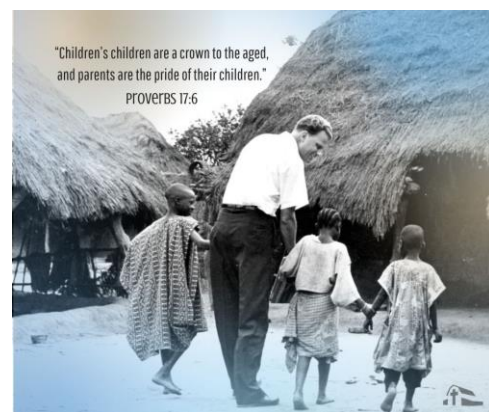

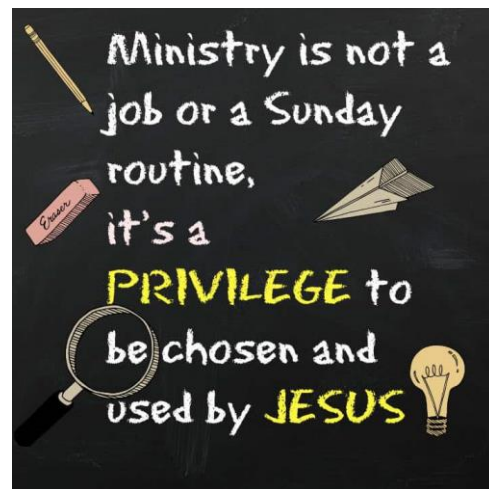

For boys in your outpost that are in 5<sup>th</sup> grade and above, the Junior Training Academy is a great challenge in leadership, skills and spiritual growth. These camps provide a small group (patrol) environment to build teamwork and leadership.

This year our special JTC camp was a **Missions Action Camp (MAC)** held at River of Life Church in Belleville. The camp was conducted from June 26 to 28<sup>th</sup>. At this camp boys learned to work as a team (patrol) and focus on the needs of others.

The MAC partner with SHP (Sleep in Heavenly Peace) organization to make beds and bunk beds for local families and then deliver them personally to homes.

Boys and men worked diligently with tools to build materials for 50 beds. Then they split into teams to deliver about 10 of these beds to local families. The complete delivery included an assembled wooden bed frame, mattresses, pillows, sheets and bedding. We also met and prayed with each receiving family. It was a great effort and spiritual investment.
